From the Principal's Desk

The term is almost over and I know that both staff and students are feeling in need of a well-earned break. I do trust that you have a fun and restful time, and that students will also take the opportunity to do some catch up and preparation for the term ahead. Term 3 will be demanding as well – especially for our seniors.

It has been a very busy final week of term, with the 2019 Board One Exhibition staged by the Art Department on Tuesday night, followed by a performance from our students competing in the Southland Regional Aerobics Competitions on Sunday. We wish them good luck. On Friday Student Council will be running a mufti day, the funds from which will be used to pay for the newly acquired House Points Board. And on Friday evening our Year 13 Students will be running a Year 7/8 Disco in the supper room at the Events Centre.

Just a reminder that junior reports will go home early in Term 3 and that Winter Co-Curricular Week will take place Week 3 of Term 3.

School Closed

Please note that during the school holiday break the College will be closed to all members of the public on 16 & 17 July, from 8.00am to 4.30pm.

This is due to a training exercise that will be carried out at school and includes all buildings and the school fields.

Farewell

This week we farewelled our Swiss Exchange Student, Jasmin Zingg. Jasmin spoke at Tuesday's assembly about her experience, which started with choosing the country she wanted to visit. New Zealand was seen as a place of great beauty, where you greeted people with a haka, and had a strange accent. Jasmin then recounted her early observations about the differences, such as people going to the supermarket in bare feet.

She also spoke at length about all the amazing things she has done in New Zealand and all the wonderful people she has met. Her comments about school life included the staff at Fiordland College knowing their students personality better than in a Swiss school; that Fiordland College has amazing Outdoor Education Programmes and sport and cultural opportunities that are only available via clubs in Switzerland.

Jasmin wanted to convey her very deep-felt thanks to all the people who have helped or interacted with her over the past 12 months.

We would also like to say goodbye to Cooper Dawson from 78Js. Cooper is returning to Australia during the holidays. It was great having you here Cooper, enjoy Australia.

Itinerant Music Concert

Our concert was held 27 June with family only invitations this time, as it was a new experience for the majority of the students participating. The music students' performances were outstanding due to their own dedication to practising, their thoroughness, and consistent lesson attendances. I am so proud of each musician and can't wait to hear them perform for us again in the fourth term.

I want to acknowledge the assistance I have received from Mr Archie Ross, for his eternal enthusiasm and exceptional skill in drumming, guitar, and bass guitar, also a secretly talented singer who filled in when students were sick; Mrs Rebecca Straker-Cunningham for arranging classroom timetables, and giving me support and advice; Mr Jeremy and Mrs Jackie Knowles for lending their sound system for the concert, and, along with Mr Ian Matthews, spending several hours adjusting levels while different groups/individuals performed for sound checks; Mr Swanson for coming in to help move the piano; the stage hands who made the concert flow so well; The Events Centre for lending their portable staging; the Fiordland Nursery for lending and delivering plants to decorate the stage, and to everyone else involved in the concert.

Thank you to all the parents/family/guardians who support these students in their music. Finally, a very big thank you to all of the itinerant music students. You are so warm-hearted, committed, and very talented, a joy to tutor this.

Police 105

The emergency phone numbers for the Police have had a make-over!

The flyer below explains really clearly when you should use 111 to contact them and when you should use 105.

105
NON-EMERGENCY
Otagata Kore

Call 105 or go online to 105.police.govt.nz

IF IT'S HAPPENING NOW CALL 111

IF IT'S ALREADY HAPPENED USE 105

There's a new non-emergency number for Police

To help keep New Zealand as safe as possible, we've introduced a new way to contact Police for non-emergencies: call 105 or go to 105.police.govt.nz

Use 105.police.govt.nz to report:

- ✖ Theft in a public place
- ✖ Theft from a car
- ✖ Intentional property damage
- ✖ Shoplifting
- ✖ Lost property
- ✖ Or to get an update on a report already made or add to an existing report

Until now people either called their local Police station or they called 111 if they wanted to get hold of Police. Quite often people called 111 just because they wanted to talk to someone even if the matter wasn't urgent.

So we have introduced 105 so people know how to contact us for those non urgent situations as well. Use 105 to report things that have already happened that don't need urgent Police assistance.

Remember, in an emergency, always call 111.

You can call 105 from both mobile and landline phones. It's a free nationwide service available day and night for New Zealanders and overseas visitors.

Use 105 to report anything else to Police that's already happened.

Call 111 when:

- ✖ A crime is happening now - and the offenders are still there or just left
- ✖ Someone's in danger or badly injured
- ✖ There's a serious risk to human life or property
- ✖ You see a major public hazard, like trees blocking a road
- ✖ Any of these things are happening now or have just happened

111 is also the number for Fire and Ambulance.

Report it at a Police station.

You can also report anything in person at your local station - we'll always be here to help you.
